**Saturday, November 3rd, 2018**  
**@Lake Glendale in Verdugo Park**

Joining the flock as a Duck Buddy is an easy way to raise funds for non-profit organizations, e.g. service clubs, public and private schools, community interest groups serving the children of our communities.

**What do Duck Buddies do?**

Duck Buddies adopt ducks out through their family, friends, business associates, Facebook friends, twitter followers and receive 50% of the total adoption monies raised - guaranteed!  
 The top selling Duck Buddies receive a bonus on top of their 50% compensation.

Come and enjoy the Duck Race! Win the big bucks! That's all! Glendale Kiwanis does the rest!

**What will Glendale Kiwanis do for the Duck Buddies?**

In an effort to make the process as ducky as possible for our Duck Buddies, we will:

- Produce, deliver and pick up your adoption forms
- Track all adoptions on line and provide you with Adoption Reports whenever you request
- Make available a "Quacky" costume and large inflatable duck to help you in your promotional efforts
- Provide you with a promotional area at the Rubber Duck Race if you wish to promote your organization
- Provide you with reduckulous ideas to get your ducks adopted
- Build "Lake Glendale" and run your ducks down the river so that someone can take home \$10,000 that day! And that ain't chicken feed! (Winners need not be present - we will call instantly!)
- Issue Duck Buddy checks within two (2) weeks of the Race to allow for credit card and check clearances

**Over the past 13 years, one Duck Buddy has raised over \$100,000 for their School! And has won over \$15,000 in prizes!**

**This could be your biggest and silliest fun(d)raiser of the year! Join the Flock!**
